Dear SMPS Alumnus/Alumna,

On Friday, October 7, St. Michael Parish School will host its first annual **Angel Walk**. St. Michael's 350 students and teachers will be walking at Wheeling Jesuit University's Outdoor Athletic Complex to raise funds for St. Michael's. These funds will support the school's operational fund that is used to both enhance SMPS academic and technology programs, as well as to keep tuition rates affordable for our school families. **Please consider supporting your alma mater in this fundraising event!**
